

Parish Council meeting 10/20/21

Bingo Report

We have now held 13 bingos on Thursday nights beginning July 22, 2021.

To date we have grossed 24,229.75, that is an average of 1,863 per bingo night. In addition to the bingo proceeds we have made an additional total profit of 2,535 in our 50/50 raffle. We have also made additional funds with our concessions grossing over 300 per night.

To date we have seen over 2100 bingo players come through the doors.

I would like to say how much I appreciate all who have stepped up and helped as needed, all who are there every Thursday and to all who are willing to cross train on different jobs to keep bingo going.

A special thanks to Pat Dyer for picking up the pizza every week and to Bud and Mickey for making sure that the kitchen is stocked with goodies.

If anyone would like to learn more about working bingo you can give me a call anytime
