

3rd Sunday of Advent

Reflection

Go through your closets and pantry today and visit your local St. Vincent de Paul or food pantry. Better yet, organize a coat and mitten drive. Sometimes, we don't want to begin projects because they take too much work, but as St. Teresa of Calcutta said, "Do small things with great love." Some places have been very successful with making scarves available for those in need by tying them to a tree or a fence.
